

Dear Alumni,

1. A warm welcome to the Dronacharyans for **Dronacharya Alumni Association!** During the past 13 years, Dronacharya Group of Institution has grown from a sweet sapling to a full grown tree.
2. The growth of the organization is your growth and your evolution is the evolution of this organization. Wherever you are, make this bond special by a get together and walk down the memory lanes of college days. This will establish a strong network between college, its Alumni and present students. Recall the golden moments spent together in the campus.

**“Side by side we’ve toiled together,
Stepping forward pace by pace,
Memories of friends and teachers,
Further years cannot efface”**

3. In view of the above we request the following:
 - (a) The college intends holding a get together of Alumni in Delhi on **24th December 2011** and would like you to actively participate in it. **Please send your confirmation that you shall be attending the function, latest by 30th November 2011. No name shall be entertained after that.** Confirmation from your side shall help us work out the number of participants who shall be attending the function.
 - (b) **24th December 2011** should be celebrated by all of us as Dronacharya College Day. In case you are not in a position to make for the function, do get together and celebrate the day to create a strong bond amongst yourself.
4. To conclude, we look forward to a mutually valuable association. We request that all of you must devote a little time to promote our initiative to ensure that **Dronacharya Alumni Association** is a grand success. All of us owe it to Dronacharya Group of Institutions.

Remain in touch with your Alma Mater.

With Best Wishes!!
Yours sincerely,

(Principal, Faculty & Staff)
